Dear Members and Friends:

We are staying here temporarily at the Hostel. Folks from different centers constantly come here and the place is usually full. Mrs Burke, Miss Myrtle Barley and Mr. and Mrs. Kasai are here to help you.

Everyday, Sophie and I have been walking the pavements of New York. Yes we have been apartment hunting! Finally, after four days, we well, found an unfurnished small place on the fourth floor! We located it on Saturday and seminary will begin on Monday.

Let us always strenthen our devotional life. Everyday we need to read our Bible and remember to pray. It is so easy to neglect it. Give thanks to God each day for His goodness!

Please look us up when out this way.

K. HARPER and SOPHIE SAKAUE
